

CITB SCOTLAND FUNDED MANAGEMENT DEVELOPMENT PROGRAMMES

Achieve an NVQ Level 6 Diploma in Construction Site Management

Programmes starting from just **£500*** in April 2015

**Are you an experienced Construction Manager?
Do you need a qualification to recognise your expertise
for PQQ's/Tenders?**

Who is this aimed at:

- You are in a construction management position responsible for leading projects, controlling standards and evaluating work
- You are already employed in a site management role overseeing or starting to oversee larger projects and sites
- You may work across one or more of the following disciplines: civil engineering, highways maintenance, residential development, conservation and/or demolition
- No prior NVQ accreditation required

BENEFITS TO YOU:

- Have your existing skills accredited and achieve a Nationally recognised NVQ6 Construction qualification
- Recognised route to the CSCS Managers Black Card
- Two funded delivery models to suit your learning style

BENEFITS TO YOUR ORGANISATION:

- Up-skill and develop your Managers for the future
- Workshop based group learning model or online virtual e-learning model
- Recognised skilled and accredited workforce
